Subject: Join Us SBVC! OSHA Required GHS Training - Monday, 10/21/13 - 11AM & 3PM - Business Conference Center

SBVC Campus

Join us and get credit for OSHA required, Globally Harmonized System (GHS) training, live at San Bernardino Valley College! You have options, you can join us for one of the below live training classes, which will take about 20 minutes or you can take the on line training courses assigned on Keenan Safety Colleges, which take 45 minutes for both training modules. You'll shave a whole 25 minutes off the training, if you join us live and you will receive the same credit as taking the training on line. **What is GHS all about? See this video link GHS, YOU TUBE VIDEO**.

The live training course will be proctored by Mr. Eric Preston with Keenan & Associates and Whitney Fields with District Environmental Health & Safety.

As required under Title 8 and as per the District's Hazard Communication Programs, **all employees who work with, or are potentially exposed to chemicals including, adhesives, correction fluids, print toners, ink and janitorial/household cleaning chemicals, shall be provided with training in accordance with the GHS standard.**
Cal/OSHA is phasing in specific compliance requirements for GHS. **The first compliance date is December 1, 2013. By this date, all employees must have been trained on the new label elements and the Safety Data Sheet (SDS) format.**
District Environmental Health & Safety, working closely with campus and district-sites administrators has provided options (on line/live) for district employees to complete this training to ensure the District's compliance with the GHS standards training requirement. You will receive training credit for either the online or live training session. See the options below and contact, District Environmental Health & Safety at X4070 or by email at wfields@sbccd.cc.ca.us, if you should have any additional questions.

GHS Online Safety Training—Option 1
Log on to Keenan Safety Colleges online training and take the online safety training modules, which have been assigned to all district employees. Click on the applicable link below for log in instructions.

- Log In Instruction for Classified/Faculty
- Log In Instructions for Administrators/Managers/Supervisors
