SBVC ACADEMIC SENATE
President's Report
April 15, 2020

DE addendums, facemasks, and Chromebooks, Oh My! It is hard to stay current when **COVID-19** changes are occurring every day. It can also be difficult to communicate in Zoom, email, text environment where conversations can be stilted, messages overly succinct, and interpretations differ. When in doubt, go to the source.

The **California Community College Chancellor's Office (CCCCO)** website (<http://www.cccco.edu>) has a dedicated page with daily updates, executive orders, and guidance. This is where you will find information on DE Addendums, and changes and guidance for grading practices, withdrawals, EOPS, refunds, and more.

The **Academic Senate of California Community Colleges (ASCCC)** website (<http://www.asccc.org>) has assembled a comprehensive list of faculty resources, is offering fantastic professional development opportunities as well as webinars in collaboration with ACCJC and CCCCCO to go over how the latest changes impact students, campuses, and faculty.

Local COVID-19 Updates on SBVC's Webpage, emails, and all campus meetings.

Fifth Wednesday Special Meeting: April 29, 2020 3:00-4:30: The Senate Executive Committee is still planning the agenda, but meeting will focus on some of the DE issues we currently face, for instance; integrity of curriculum in an online environment, regular substantive contact, faculty preparedness, and pathways for student completion.

ASCCC is seeking faculty to serve on ASCCC committees and faculty representatives to the CCCCCO Board of Governors. Find more information on the ASCCC website or in the 4/14/2020 email form ASCCC.

Save the Dates: All ASCCC Events through the end of May have been cancelled. ASCCC will be holding officer elections online.
