

Anti-racism Departmental Dialog

A few general ideas

- Does not need to be solution-oriented! Start with a conversation.
- Soul searching through discipline.
- Every discipline and every class can be approached with an anti-racist lens.
- Reach out for some support.

Music's Journey so far...

- Throw out an email, include some literature
- Ask for opinions
- Meet as a group, listen to everyone
- Departmental statement on anti-racism?
- Re-evaluate SLOs?
- Departmental standards for each class? Could be a piece of literature, a person whose life should be talked about, a societal movement within the field, etc.
