## SBVC Academic Senate President's Report

October 7, 2020

Elijah McClain. Elijah McClain deserves justice.

**ASCCC Resolutions Fall 2020.** Please review the <u>55<sup>th</sup> Session Resolutions</u> that will be discussed at the Area D meeting before the Fall Plenary. I will need your direction when I vote as your Senate President at the Fall Plenary.

**Area D meeting.** The Area D meeting will be virtual and is free to attend! The meeting is on Saturday, October 17, 2020 from 9:30am until 2:30pm via Zoom at <a href="https://cccconfer.zoom.us/j/91874585379">https://cccconfer.zoom.us/j/91874585379</a>.

The meeting agenda, minutes, proposed resolutions and additional materials will be coming soon, and will post on the Area D website.

From LaTonya Parker (ASCCC Area D representative): Remember you are encouraged to invite a group of senate leaders to this meeting for a chance to network with other leaders in our area, meet ASCCC Vice President Virginia "Ginni" May from Sacramento City College, discuss what is happening at the statewide level, and to review Resolutions from ASCCC committees.

**Fall Plenary.** The <u>ASCCC Fall Plenary Session</u> on November 5-7, 2020, to be held virtually via the online platform Pathable. I believe we are sending a team of 10 faculty this fall! This is not counting John Stanskas or myself. I want to thank our VPI, Dina Humble, for helping with this effort.

**Accreditation.** The visiting team comes next week. If you had not had a chance to read the Institutional Self Evaluation Report (ISER) or you simply want more information, you may find it on the <u>Accreditation</u> website. They have asked that we have our cameras on when we are in virtual meetings with them.
