- Evaluation of industry-recognized credential documentation
- Evaluation of student-created portfolios
- Credit by satisfactory completion of an examination administered by the college in lieu of completion of a course listed in the college catalog.

The SBCCD Board of Trustees will review the credit for prior learning policy every three years and report the findings to the California Community College Chancellor's Office that include the following:

- The number of students who received credit for prior learning,
- The number of credits awarded per student,
- Retention and persistence rates of students earning credit for prior learning,
