Student Success for San Bernardino Community College District students means more than just obtaining degrees, transfer, certificate, or career advancement. It also means the achievement of the individual student's self-established educational goals including completing a specific course, program, career and/or technical education to maximize the skills necessary to become a better person, worker, and/or citizen. Student Success is not merely an outcome, but also a process. It's a journey that encompasses multiple levels of achievement and milestones such as the abilities to: analyze, synthesize, and evaluate information; effectively communicate with others; achieve proficiency in various disciplines; collaboratively work in culturally diverse settings; be leaders who see projects through to completion; be responsible decision makers who are self-motivated; be active civic participants; and be ethical individuals who are committed to their families, communities, and others.

The Board's commitment to Student Success is to ensure the availability of resources for the colleges to achieve the goals and objectives as stated in their college planning documents.

The District shall provide Student Success and Support Program services to students for the purpose of furthering equality of educational opportunity and academic success. ~~Optional: The Board expects the Student Success and Support Programs to specifically identify and close opportunity gaps that impact student success and improve the District's commitment to diversity, equity, and inclusion to better support student success.~~ The purpose of Student Success and Support Program services is to bring the student and the District into agreement regarding the student's educational goal through the District's established programs, policies, and requirements.

The Chancellor is responsible for establishing procedures to assure implementation of Student Success and Support Program services that comply with the Title 5 regulations.

Review Process Notes:

> Davena Burns-Peters reported SBVC Academic Senate approval on 9/20/2023

> *Per 2023-12-11 PPAC: The committee reviewed the recommendation showing Chapter Lead changes in response to feedback. Nohemy confirmed the changes were discussed with college deans and counseling chairs. The committee questioned the language indicating what each student will do in establishing a plan, and particularly the fourth bullet, "Diligently attend class and complete assigned coursework."*

Several opinions were expressed dealing with why this section is part of the AP, and the fact that the faculty, who are the content experts, vetted the language. It was decided that Chapter Lead Nohemy will continue to work on this recommendation in conjunction with the stakeholders and bring it back to a future PPAC meeting.

1/22/2024 NOTE TO PPAC: The issues discussed at the December PPAC were reviewed with the Counseling team by the Chapter Lead and determined to be appropriate for this AP)
