

Article X: Committees of the Senate

(Adding a new section)

Section 5: Academic Senate Service and Committee Obligations

A. In accordance with the San Bernardino Community College District Contract, all full-time faculty are required to serve on committees as appointed by the Academic Senate and/or as officially recognized advisors to student clubs/organizations as part of their assignment.

B. Service as an elected Academic Senate member (Senator) constitutes committee service and fulfills this contractual obligation. This includes regular attendance at Senate meetings and participation in at least one standing committee as required in Article XI, Section 1.

C. Faculty serving in leadership roles such as Committee Chairs (Curriculum, Program Review, Accreditation and Outcomes, etc.) who receive reassigned time for these duties do not fulfill their committee service obligation through these roles and must serve on additional committees as appointed by the Academic Senate.

D. The Academic Senate President, along with the Personnel Policy Committee, shall maintain records of faculty committee assignments to ensure equitable distribution of service obligations across the faculty.
