UPCOMING/FILLING POSITIONS – C. HUSTON

Celia Huston provided the following update: the four (4) Dean positions advertised have closed with the interviews currently being coordinated by Human Resources; the Vice President of Instruction position has not yet closed as Human Resources is awaiting the CC Registry posting of the position (Human Resources advised Celia of the delay.)

Kay Weiss indicated there will be an upcoming position in Reading.

ACCREDITATION AND STUDENT LEARNING OUTCOMES – C. HUSTON

Celia confirmed that the 1st draft was announced in May 2017 with the Board of Trustees conducting a 1st reading in July 2017. The August 2017 draft is currently under review, and then will be submitted to the Board of Trustees. Celia reminded the Council of the October 15 deadline.

Celia indicated that Crafton Hills College is currently collecting student-level data in the SLO CLOUD. Celia attended the recent Curriculum Institute at which the ACCJC Vice President indicated that they are working to change the “poorly written” standard. Celia is hopeful there is the possibility that the SLO standard may change so that student-level data will not have to be collected. Kay Weiss requested that *Summer Collection of Data* be added to the upcoming Accreditation/SLO Committee agenda.
