

College Council Update
April 12, 2023
Vice President, Student Services

Enrollment:

The year-to-date enrollment is currently up approximately 7% (+274.81 FTES) above last year at time. This includes 992 more students than a year ago (see chart below).

Priority Registration:

EOPS is promoting priority registration for all students; the goal is to encourage students to utilize their priority group and set their class schedules for the summer and fall semester; the Assessment computer lab is being used to assist students in person. Please encourage all students to meet with their counselors and register when their priority group is open (**Suggestions:** send messages to students through CANVAS to remind students to register).

Senior Day:

The college hosted over 600 seniors from the feeder high school districts to engage our feeder high schools from San Bernardino, Rialto, Colton, and Redlands Unified School Districts. We provided an educational and fun-filled day for all students, by offering:

- Campus tours
- Resource fairs
- Workshops
- Hands on demonstrations by our Art and CTE departments
- Exposure to campus life via clubs and Athletics
- Opportunities to engage with faculty and staff
- Opportunity drawings
- Lunch and snacks

The goal of the event was to bring students to campus, engage them so they better understand what SBVC has to offer and how they can benefit from attending SBVC.

Black Student Success Week:

- **Wednesday, April 26, 2023**
 - SBVC will be participating in Black Student Success week; During the CCCO's annual Black Student Success week, SBVC's Umoja-Tumaini program hosts our annual Black Excellence event. This is a targeted event focusing on black excellence within our local community. SBVC welcomes over 300 African American high school seniors from San Bernardino, Redlands, Colton, and Rialto unified school districts. Our 2023 theme is *"Look good, feel good"* focusing on business, entrepreneurship, the arts, mental and physical health. Students participate in workshops and tours and can immerse themselves in college experiences while on campus. All students are provided with lunch and a commemorative T-shirt.

Commencement: Wednesday May 24, 2023, at San Manuel Stadium

- **SBVC Bookstore Annual Grad Fair: Wednesday April 19, 2023** (9am to 2pm) in the Campus Center Walkway
- **Student Regalia:** All graduating students will be receiving their cap and gown for free through a partnership with Outreach and Retention and Counseling! We have been working with Admissions and Records to get the list of students who will be graduating this May and communicating this with them. The students are being contacted in groups, based on the information provided by A&R. So far over 1,000 students have been contacted by email. If you meet with a student that has the email below, all they need to do is fill out the form through the link. Once all information is collected, they will receive an email about the pick-up of their regalia. If they are having trouble completing the form, they can contact **Jamie Herrera in General Counseling**.
