The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success. Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.

DISCUSSION ITEMS/PUBLIC COMMENT	
REVIEW/APPROVAL OF MINUTES	No comments on the minutes, October 7, 2019 committee minutes to be posted online.
Voting	Mary Copeland provided an update on the previously approved voting and quorum. These items have been taken to the Academic Senate and will be reviewed at the next meeting.
Curriculum Timelines/Deadlines (Handout 1)	<p>Mary provided a handout with the proposed change to the curriculum deadline. Currently the deadline for faculty to submit their curriculum to be effective the following fall semester is October 1st. Due to the Office of Instruction changing to a one-year schedule, it is important for the curriculum deadline to be moved to the Spring semester in order to provide enough time for processing. With this newly proposed timeline, if a faculty member submitted curriculum in early spring and it goes through all the local approval processes and is board approved by July 2020, then it would be effective Fall 2021. With moving the timeline up to spring, it will give the committee additional chances to hold workshops and trainings for anyone interested in attending. Sheri Lillard commented that this will give faculty additional time to plan for their curriculum and compared it to the current timeline set in place for articulation. Janice Wilkins notified the committee that with this change in scheduling deadlines, ultimately pushing up the deadline for the catalog, all courses going through articulation will have to be placed in a catalog addendum after receiving approvals. With the approval from the committee, Mary will be taking the updated timeline to Senate for further discussion.</p> <p>1st: Sheri Lillard 2nd: Vicente Alvarez Motion Approved</p>

Curriculum Committee and Curriculum Technical Review Agenda and Minutes

DISCUSSION ITEMS/PUBLIC COMMENT	
Prerequisites/Corequisites/Wording/ AB 705	Mary Copeland and Kay Dee Yarbrough attended the Matriculation meeting on October 17 th to discuss the “eligibility” wording for the courses that have placed READ as a departmental advisory. Since students are not assessed on reading, the question was brought up whether the eligibility wording is needed. During this meeting, it was also brought up that the “eligibility as determined by the SBVC assessment process” is outdated and should be replaced with “self-guided placement”. Sheri Lillard questioned whether it would be better to remove the wording completely, but according to Janice Wilkins, this may cause articulation issues. Additional research is needed on this subject, and will be brought to the next curriculum meeting to continue the discussion.
Meeting with Chancellor/EDCT	Mary notified the committee of an upcoming meeting with the Chancellor, President, and EDTC. The EDTC is located at the District and currently offers training programs to help the community. There have been some questions arising about how the EDTC develops curriculum and Mary would like to suggest all new programs be endorsed by the Academic Senate prior to being offered.
PUBLIC COMMENT	No public comments.
