NURS 600	Massad	<p>This noncredit course is part of a grant that will allow San Bernardino Valley College's Nursing Program to offer a Clinical Nursing Assistant program to students. Since it's part of a grant, Sheri Lillard asked what happens if the grant goes away? Per Dina Humble, this program will be institutionalized and will be offered on a continuous basis even after the grant is no longer. Department will also have the chance to reapply for the grant.</p> <p>Ty Simpson asked whether this field would allow for students to earn a livable wage and whether students will receive extra points when applying to the nursing program. According to the department, students taking this course will be able to make approximately \$18 - \$20 per hour and the rate will increase with experience. Extra points will be given to students who have a CNA certificate. This noncredit course will also serve as a pathway to transition from CNA to the Registered Nursing Program at Valley. It also will help students who would like to go into an allied health field and can be transitioned to PSYTCH or Pharm Tech. This CNA program can be a crucial first step for students who would like to enter the health field.</p>			Approved
