Using some drafts from some TMC templates, Mary compiled the following:</p>

The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success. Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.

Curriculum Committee and Curriculum Technical Review Agenda and Minutes

	<p>Ethnic Studies is an interdisciplinary and comparative study of race and ethnicity with special focus on four historically defined racialized core groups: Native Americans, African Americans, Asian Americans, and Latina and Latino Americans. Ethnic Studies includes the following disciplines: African American Studies, Native American Studies, Chicanx and Latinx Studies, and Asian American Studies.</p> <p>Ethnic Studies is the larger umbrella for the different disciplines listed above. Mary asked the committee for the approval to send to social sciences for additional input. Bethany suggested sending this description to the three different associations on campus.</p> <p>Janice Wilkins provided an updated on the Ethnic Studies courses. They are currently in review status, and we hope to hear something soon.</p> <p>Committee Charge: Mary Copeland sent out the Curriculum Committee charge to review. One comment was asking whether we should be calling it a “charge”. Mary will be taking this to College Council to say we would prefer to call it a mission statement or purpose instead of a charge.</p> <p>New Chair Welcome: Bethany Tasaka will be the new Curriculum Committee Chair for the next three years.</p> <p>Curriculum Committee Handbook: Mary will be sending the handbook out to the committee to ask for some input.</p>
