VPI Report	Dr. Dina Humble wanted to thank Mary Copeland for her time as Curriculum Faculty Co-Chair. In her time as co-chair, we have approved hundreds of DE Addendums, approved curriculum through a pandemic, incorporated DEIA into curriculum, and implemented CurriQunet Meta. Mary has provided us with the stability and consistency we have needed to accomplish this work and we would like to thank her for her leadership. We could not have done this without you.
New Business	Mary Copeland updated the Curriculum Committee handbook and would like a motion of support to approve and implement this updated handbook. 1 st : Paula Ferri-Milligan

The Curriculum Committee recommends that the pre-requisites and co-requisites approved be re-evaluated in the next 2-3 years by the appropriate departments/programs to ensure student success. Note: Committee members are voting on all Proposals, Requisites, Advisories, and Distributed Education.
