VPI Report	
New Business	<ul style="list-style-type: none"> • Plenary Updates • Baccalaureate Degree process development • Temperature Check Survey • Discussion of Dr. Peter Gitau Ngatia's forum* – focus on Curriculum and DEIAA <ul style="list-style-type: none"> ○ *Full disclosure: I do not know who will be our next president, nor is this decision in my hands. In listening to various candidates talk about their visions for our campus, Dr. Gitau Ngatia's public conversation around curriculum and how we use it to serve our students stuck with me. That is what will be discussed, not the quality or viability of him as a candidate. ○ If you can, watch his presentation (approx. 60 minutes) and think about what we can apply to our committee and our processes. We'll watch a clip during the meeting, if time permits.
