New Business	**Architecture Program Updates (N. Lambrou and T. Heibel)**– The Architecture Department is requesting to correct two programs that were recently board approved at the February 2023 board meeting: • Building Information Management (BIM) Certificate – Add ARCH 105. This will increase units and allow students to receive Financial Aid for this program. • Architecture and Environmental Design AS Degree – Move ARCH 145 and ARCH 145H to recommended courses.
