Additional Information:

The Enrollment Management and Student Equity Committee serves in an advisory capacity to the President's cabinet regarding enrollment. The Committee is responsible for reviewing internal and external assessment trend data as it applies to enrollment planning, researching and reviewing successful models of recruitment and retention programs, projecting enrollment growth/decline, projecting academic and student support service needs based on enrollment trends. The committee makes recommendations regarding recruitment and retention strategies, in the annual updating of the Enrollment Management Plan. The committee reviews and regularly updates the Student Equity Plan. Both plans are forwarded to College Council for review.
