Minutes

Approved the minutes for 4-4-16 with correction and 11-7-16

New Urgent Safety Item

1. Light outside of HLS 101 was not working.
2. Traps are plugged in the ceramic room.

Health and Safety

1. Whitney reviewed the district comp reports.

Old Business

1. As of March 2017 all single stalled restrooms will be labeled as "All Gender Restroom"
 - a. The Facilities and Safety Committee voted that if a building has two single restrooms on a floor that are currently locked for staff only, one single restroom would be open to students and the other single restroom would remain locked for staff and if a building or floor only has one single restroom it would be open to students. Burnham motioned, Klingstrand second and the committee voted as follows:
 - i. Ayes: Burnham, Bangasser, Jenkins, Klingstrand, D. Lee, Stark
 - ii. Noes: Demsky, Dubois-Eastman, Lighting, Stewart
 - iii. Absent: Akers, Banola, Carlos, Dunn, Kracher, K. Lee, Lewis, Mestas, Milligan, Thomas
 - iv. Abstentions: Fields, Powell
2. Reviewed Facility and Safety Goals for fiscal year 17 and will send out to the committee.
3. Discussed how the "Great Shake Out" went on October 20, 2016.
 - a. An alarm signal is needed besides the phone and email messages.
 - b. Inform faculty that they need to be more aware of things happening around them during emergencies.
 - c. Robert to gather information on different types of alarms.

New Business

1. Scott discussed the mission of the college and that it must be considered by each committee member when performing committee work and decisions, to insure that our work and decisions fully support our mission. Scott stated that this is part our most recent accreditation action plan for improvement. The mission of the college is at the footer of each agenda and meeting minutes to keep it up front and on our minds at each committee meeting.
2. The committee discussed a request from KVCR that SBVC pay for and provide an AED for KVCR. The committee discussed the issue and agreed that KVCR should have an AED, but that the District is responsible for providing it.

OUR MISSION: San Bernardino Valley College maintains a culture of continuous improvement and a commitment to provide high-quality education, innovative instruction, and services to a diverse community of learners. Its mission is to prepare students for transfer to four-year universities, to enter the workforce by earning applied degrees and certificates, to foster economic growth and global competitiveness through workforce development, and to improve the quality of life in the Inland Empire and beyond.

3. Responding to a faculty concern, M&O will be putting up signage at the LA building directing people to the elevator.
4. The committee voted for Scott to bring the following proposal to College Council for funding.
 - a. The Facilities and Safety Committee voted to approve putting a handicapped button on a single door in North Hall which has a ADA ramp leading to the doors. Admin services will consult with DSPS to see if they recommend both doors or a single door. Burnham motioned, Bangasser second and the committee voted as follows:
 - i. Ayes: Burnham, Bangasser, Fields, Klingstrand, Powell, Stark, Stewart, Vasquez
 - ii. Noes: None
 - iii. Absent: Akers, Banola, Carlos, Demsky, Dubois-Eastman, Dunn, Kracher, D. Lee, K. Lee, Lewis, Lighting, Mestas, Milligan, Thomas
 - iv. Abstentions: Jenkins
5. Discussed how main restrooms are now being locked.
 - a. Vasquez brought up that it is a safety issue that the restrooms can now be locked from the inside. Will bring this topic back to the next meeting.
6. Admin Services will bring a list of proposed emergency supplies to the next meeting to review and to discuss where the items will be stored.
7. Chris distributed Ready Now Disaster Preparedness 101 handouts to DSPS student and asked them what SBVC could do to help them.
 - a. To establish a Buddy System – Use our current system so they would be able to just click a button that says they are on campus.
 - b. Would like to be included more.

Minutes

Approved the minutes for 11-7-16

New Urgent Safety Item Health and Safety

1. Per Gloria, students in wheelchairs are reporting that they could not reach the buttons on the parking lot Blue Phones, that the handicapped button on the south side of NH is not working and that the LA elevator shakes when you use it. – LA elevator ram was replaced and the shaking should stop now.
2. LA building is cold due to boiler not functioning correctly – Per Robert, a boiler is going to be replaced.
3. Vents in the LA Writing Center need to be cleaned because tutors are complaining to have allergies after tutoring in the room.
4. Lights outside of PS are not coming on early enough – Robert working on getting all lighting to correct times.

Old Business

1. Per Maria, Whitney indicated that there were no new injuries to report.
2. Emergency Equipment is going to be purchased and M&O is trying to figure out how and where to store the items.
3. James mentioned that the student restrooms in the Art building are always being locked and that he is always being asked to unlock them. He wanted to know if it was mandatory for them to have these types of locks.
 - a. Chris T said to contact District Police if the restrooms are being used improper or for any safety issue concerning them.
 - b. Chris G mentioned that all colleges are having the same issues and there are no solutions as of yet.
 - c. Jeff asked if cameras could be installed outside of the restrooms.
 - d. Gloria inquired if there was a way for an access/control system to be installed. Chris G stated that the Informacast system has the technology for the access system but they do not have the correct hardware. He believes that the system is now blue tooth/wireless accessible and will get the information to Robert.
 - e. The committee voted to put signs on the restroom doors stating that the restroom doors are to remain unlocked unless an emergency. Lock symbol with a slash through it with wording below, "Except for Emergencies". Signs to be determined. D Lee motioned and Bangasser second and the committee voted as follows:

 - iv. Abstentions: Jenkins
 - a. The committee voted to explore getting cameras for outside of the restrooms. Dummy cameras would be fine but will need to run this idea through SBCCD legal department first. D Lee and Bangasser motioned and Demsky second and the committee voted as follows:
 - v. Ayes: Burnham, Bangasser, Banola, Demsky, Kracher, D Lee, K Lee, Milligan, Tamayo
 - vi. Noes: None
 - vii. Absent: Akers, Carolos, Dubois-Eastman, Dunn, Fields, Klingstand, Lewis,

Lighting, Mestas, Powell, Thomas
viii. Abstentions: Jenkins, Stark, Vasquez

**New
Business**

1. Jeff stated that one of his students told him that his car was hijacked in the Swap Meet parking lot at gunpoint and wanted to know if District Police was informed about it. Chris communicated that not all incidents are reported to them and or they will come to district police two to three weeks after the incident. All incidents goes through the Chief to review and to decide which ones will be sent out as an alert to the campus. Chris also mentioned that if the student needs more information, he needs to go to district police station to and that District Police is available 24 hours.
2. Lee D believes that the TV monitor in the LA lobby is too low and Lorrie thought that the TV in Applied Tech never goes off.
3. The committee started to prioritize the 2016 Program Review Facility's Needs Applications.
 - a. The committee is to review facilities need applications in order finalize prioritization at the next meeting on February 6, 2017.
 - b. The committee agreed not to prioritize any items on the list that are not feasible and that should be part of the FMP. Number 7 was changed to feasible and not part of the FMP.
 - c. Scott provide definitions for what is a Safety/Deterioration/Program Impact Urgent, Important and minor need was. He will send the definitions out to the committee.
