<p>Regroup & Share-out (5 min per group)</p>	<p>Group 1: Today, this group sat in on other subcommittees to gather more pertinent information to share with our campus communities. Emphasis was placed on a need to add a human, personalized touch to Guided Pathways through interviews with staff and students. This group is moving forward with a survey to the campus community. Further, group 1 shared out the importance of attending District meetings in evaluating proposed changes to hiring processes of the district as related to racial justice and equity.</p> <p>Group 2: Discussed the data from previous meeting regarding the top degrees and certificates awarded over the last five years and the local industry demands, they are Business, Health Care and Education.</p> <p>We want to focus on our population:</p> <ul style="list-style-type: none"> • Part-time students • Nontraditional students • Reentry students <p>Who to invite to meet with, deans', chairs and faculty are all necessary in order to continue the implementation process, always keep informed the academic senate, curriculum, onboarding and enrollment management, this will ensure all college constituents are informed.</p> <p>We will move forward with the three areas with the most awarded degrees discussed, invite the chair and deans of business, nursing and liberal studies which will include the deans of Humanities and Social Sciences. Intended areas to start initial pathways will be our Business Administration, Nursing and Education (Liberal Arts).</p> <p>Group 3: This Thursday we will be having a meeting with district HR on this topic. John shared his PowerPoint that will be used in the meeting with the district on Thursday. The team agreed that the formatting and information is well thought out and had some other minor feedback for John.</p>
