Discussion Topics

- | | |
|--|--|
| <ul style="list-style-type: none"> • Recap of SEPI convening and potential changes to GP Committee (Integration of Student Equity) • Registration season efforts and considerations • Strong Workforce projects • Discussion on liaison role • Opening day meeting or during summer to identify all the consistent events so everyone can add them as needed. | <ul style="list-style-type: none"> • Keenan – SEPI convening takeaways: <ul style="list-style-type: none"> ○ Campus-wide structure committees can be better. ○ Universal language – we should all be on same page regarding language. ○ Office of research & planning should play a bigger role. ○ We should think about combining the Guided Pathways & Student Equity Committees. • Al Solano shared a presentation on “Why Colleges Struggle to Implement Priorities and What to Do About It” and a “Guided Pathways Alignment Mapping” form. • Keenan – registration directly connected to metrics. Offering 3 days of extended resources for incoming freshman. They do their best to make sure students are taking the correct classes. More counselor participation encouraged. Math Dept. released new math classes phasing out Math 102 & 103. • Keenan – strong workforce metrics #10 & #7 that will be for our general meeting. • Keenan – will have a draft job description from HR. • Follow up items: <ul style="list-style-type: none"> ○ Karolyn to send a Doodle Poll for summer meeting dates (June & Aug). ○ Patty work on contracts for Keenan and Lucas. ○ Leads to provide outline of summer projects before 5/6/24. • Meeting end at 4:08pm |
