Discussion Topics

Welcome

Welcome and Call to Order

Lucas – SBVC website - depts should have program maps like for example the Film, TV & Media page: [Film, TV & Media — San Bernardino Valley College](#). Students need to be aware of the different pathway maps. He is putting together an FAQ sheet that will be sent to all divisions. He will also speak at a Dept. Chair meeting regarding this important topic. Document he shared is attached.

Keenan – would like to see more participation in the Senior Day event from all divisions. Events like "Getting to Know your G.E." that took place on 3/25/24 increases student awareness about their options and also helps them confirm that they are registered in the appropriate class(es). Examples of being proactive with outreach are the lawn signs posted making students aware that priority registration for Summer and Fall begins 4/7/25.

Next Meeting April 22, 2025

End Time – 4:05pm
