Agenda Items

<p>Annual Report</p>	<p>James shared the annual report and discussed the various components within it. He compared our enrollment numbers and how it looked into the past. We show ability to grow which is good news. According to the Chancellor's Office student scorecard data shows that we are going to have to do some things differently.</p> <p>James will be posting this document where everyone has access to it.</p>
<p>Forum Planning (Select Facilitators)</p>	<p>~ Introductions. ~ Cover the ISER and the newest timeline. ~ Go over the fact that the visit will be virtual. ~ Adjourn to the breakout rooms. How many will be needed? This will take some time and we will have to figure out how to get everyone to their respective rooms. How much time should be allotted for the breakouts? Some will require more time than others.</p> <p>Those who will be managing the breakouts are as below: Standard 1 - James and Terri Standard 2a – Horace and Yvette Standard 2bc – Scott Thayer and Elaine Standard 3 – Rick Standard 4 – Bethany Quality Focus Essay - Dina</p> <p>~ We will need to be punctual as College Counsel is at 1:30. ~ Please be sure to have your ISER ready when the Zoom started. Celia will email to everyone.</p> <p>There was discussion about who would be assigned to each breakout session and more in depth discussion about how each item is answered and to what detail.</p>
<p>New Timeline</p>	<p>The timeline, as discussed last meeting, went to the Academic Senate and was passed. Crafton was fine with matching our board dates. The plan is to have the full draft ready for May for first reads. August, flex week, the final draft will go out. This version will have pictures and evidence links.</p>

Accreditation & SLO Committee Meeting

April 7, 2020, 1:00-2:00 p.m.

Via Zoom, <https://cccconfer.zoom.us/j/874182619>

ACCJC Peer Evaluation Visit	Accreditation visit: Celia shared that it looks like our visit will be an online / virtual visit.
Other	<p>When will the campus be closed 100%? James shared that this is pretty much the case right now. That is with the exception of the library twice weekly. The heating and cooling will cease this week and the only thing remaining will be electrical.</p> <p>Computer labs: Rick is working on some computer labs for students for situations such as Chemistry.</p> <p>Celia brought up the need to update the ISER with the COVID-19 outbreak and how we handled it.</p>

Next Meeting: April 21, 2020
