<b>ACCJC Visit Review</b>	<p>There was a lot of hours put in during the visit and leading up to the visit. We went through a few late nights, but we handled it well. There were a few surprises on things such as program discontinuance, SAOs, and Professional Development. Overall, we are feeling that this was a positive meeting.</p> <p>There were three “recommendations” listed as they left but we won’t know until January when we receive the final report exactly what that means. There was some conversation about the recommendations they listed and some great suggestions noted.</p> <p>DE Courses: Dina shared her frustrations with this recommendation in that we have worked so hard and done such as good job. We were so aggressive in handling DE as we headed into COVID. None the less, we are doing a great job and we need to hone in on our processes.</p>
<b>Faculty Lead Job Description</b>	<p>We’ve discussed extending the lead position until June 2021 and Celia gave the pros and cons to this, verses hiring someone in January. She recommended we extend the Outcomes lead through June 2022, the Accreditation lead through June 2021, and the Accreditation lead prior to finalization of fall schedule. Team agreed with Celia’s recommendation. Celia shared the JD for the Accreditation Lead and will send it to everyone.</p>
<b>Accreditation Review Cycle</b>	<p>Celia shared the Accreditation Cycle. She also shared some notes on her takeaways from the accreditation visit. As conversation was evolving, she made notes on what we need to remember for next time.</p>
