

## Accreditation & SLO Committee Meeting Tuesday, October 20, 2020, 1:00-2:30 p.m.

Via Zoom Conferencing, <a href="https://cccconfer.zoom.us/j/902791748">https://cccconfer.zoom.us/j/902791748</a>

Co-Chairs: Dina Humble, Dr. James Smith; Dr. Celia Huston

Attendees: Dena Peters, Joanna Oxendine, Yvette Lee, Rick Hrdlicka, Bethany Tasaka, James Smith, Celia Huston, Elaine Akers, Scott Thayer, Kay Dee Yarbrough, Taylor DeBenedictis, Amy Avelar, Rania Hamdy, Tarif Halabi, Dina Humble, Angela Grotke. Minutes - 10/06/2020 There was a lot of hours put in during the visit and leading up to the visit. We went through a few late nights, but we handled it well. There were a few surprises on things such as program discontinuance, SAOs, and Professional Development. Overall, we are feeling that this was a positive meeting. There were three "recommendations" listed as they left but we won't know **ACCJC Visit Review** until January when we receive the final report exactly what that means. There was some conversation about the recommendations they listed and some great suggestions noted. DE Courses: Dina shared her frustrations with this recommendation in that we have worked so hard and done such as good job. We were so aggressive in handling DE as we headed into COVID. None the less, we are doing a great job and we need to hone in on our processes. We've discussed extending the lead position until June 2021 and Celia gave the pros and cons to this, verses hiring someone in January. She **Faculty Lead Job Description** recommended we extend the Outcomes lead through June 2022, the Accreditation lead through June 2021, and the Accreditation lead prior to finalization of fall schedule. Team agreed with Celia's recommendation. Celia shared the JD for the Accreditation Lead and will send it to everyone. Celia shared the Accreditation Cycle. She also shared some notes on her **Accreditation Review Cycle** takeaways from the accreditation visit. As conversation was evolving, she made notes on what we need to remember for next time. Other **Next Meeting: NOVEMBER 3, 2020** 

San Bernardino Valley College maintains a culture of continuous improvement and a commitment to provide high-quality education, innovative instruction, and services to a diverse community of learners. Its mission is to prepare students for transfer to four-year u universities, to enter the workforce by earning applied degrees and certificates, to foster economic growth and global competitiveness through workforce development, and to improve the quality of life in the Inland Empire and beyond.
