Agenda Items

Minutes	2/16/21 Bethany motioned, Yvette 2 nd .
ACCJC Policy on Social Justice	ACCJC put out this policy on Social Justice in January for review. We need to consider where this means and where we are going as a campus. Celia covered some of the highlights and bullets and discussed what they mean to us. Assignments were made as to who will take a look at some of the bullets that Celia mentioned.
Faculty Lead Accreditation Timeline	We need to get the letters of interest out for this position. Celia, Dina & Meradith drafted a timeline for this to happen.
QFE Update	Dina shared that we are continuing to work with Guided Pathways and scaling up those activities across the college. The SOA (Scale of Action) is going to the board next week and once approved there, she will bring back to this committee.
Spring 2021 Newsletter	At our last meeting we discussed keeping up with the newsletter and it sounds like a good idea. Bethany suggested archiving these newsletters on our Accreditation Page. It was decided that we will run with one for this semester at this point. Kay Dee will reach out to Paul for a template with the new look.
Campus Climate Survey Review James Smith	Every year we do a survey regarding the campus climate. James showed the group where to locate these surveys and went over some of the details with everyone. We are coming up on our next survey cycle. He will have Dena send out the link for everyone to be able to find the past surveys. James asked that the team review the info that is related to the standards as they stand right now and be ready to report back at our next meeting.
