About Learning Express

LearningExpress, LLC was founded in 1995 to provide customized test-preparation materials for students and adults who were looking to improve their performance on academic, licensing, and certification exams. The company quickly emerged as an industry leader in the field of customized test-preparation and as an expert source for information on targeted careers, vocational professions, and academic exams. LearningExpress Library Standard Platform provides a comprehensive and completely interactive online learning platform of over 300 online practice tests and course series designed to help patrons, students, and adult learners succeed on the academic or licensing tests they must pass to help them embark on rewarding careers. MARC records are available for the electronic books included in the service. For details on the tests included in the standard platform, please see the consortium web site at http://www.cclibraries.org/providers/learningexpress.html

> Library (Standard Platform) offers over 300 online resources, including a wide variety of tests, skill builders, and courses, as well as e-Books. Students get instant access to the most comprehensive collection of test-preparation tools, skill-building materials, and career resources available. Includes the civil service exams, college entrance exams, GED practice and courses, and career resources.

> College eFolio is the complete solution for helping students improve their basic writing skills – a dynamic online writing improvement program, designed specifically for college students. Students will have access to writing course tutorials, diagnostics and over 30 different essay writing practices for the GED, ACT and SAT.

Computer Skills Tutorials
Provides access to over 50 easy to use, self paced courses. Approved by the Microsoft Office Specialist Program, these include various software applications including Microsoft Word, Excel, PowerPoint, Outlook, Access and more.

Job and Career Accelerator (includes Computer Skills Tutorials) places everything needed for career selection and job searching in one easy-to-use Web application, and is unlike any career search tool that has come before. Anyone who wants to stand out from the competition, advance in his or her career, or discover exciting new employment opportunities will find everything needed to achieve these goals, all in one resource that adapts to individual needs.

Workforce Skills for 21st Century Success is a comprehensive online learning platform that delivers resources to support job seekers and career development. The platform is designed to be used in education and career training programs to boost basic workplace skills and job search skills, and prepare workers for advanced occupational training for high-wage, high-skilled employment as outlined in TAACCCT (Trade Adjustment Assistance Community College and Career Training Grant) requirements.

Remote Access: Learning Express supports user name/password, referring URL and proxy servers access from off campus.
