

SBVC Library Workshops

Fall 2012

Library workshops offer the opportunity for students to spend a half-hour with a Librarian and gain specific knowledge and skills.

All Workshops are held in Room **LIB.109**

Workshop #2

Basic Reference Databases Usage at the Library and at Home

Monday, September 10, 9:30 a.m.-10:00 a.m.

Thursday, September 13, 1:30 p.m.-2:00 p.m.

The SBVC Library offers students access to thousands of magazine, newspaper and scholarly articles through its online databases. This basic class will help you to understand and use this powerful research tool!

Special Topics Workshop

Thursday, September 13, 3:00 p.m. - 3:30 p.m.

Learn how to use the Library's database called *Points of View Reference Center!* *Points of View* is designed to assist researchers in understanding the full scope of controversial subjects. Students can use *Points of View* as a guide to debate, developing arguments, writing position papers, and for development of critical thinking skills. Each *Points of View* Essay includes a series of questions and additional material to generate further thought. Also included are thousands of supporting articles from the world's top political and societal publications.
