6 The Chancellor is directed to develop appropriate administrative procedures to implement the  
7 provisions of the Education Code that authorize the securing of copyrights in the name of the  
8 District to all copyrightable works developed by the District.  
9

10 The procedures developed by the Chancellor shall assure that the District may use, sell, give or  
11 exchange published materials and may license materials prepared by the District in connection  
12 with its curricular and special services.  
13

14 In the development of these procedures, the Chancellor shall solicit the input of the proper  
15 representatives of the college community in accordance with the District's policies regarding  
16 shared local decision-making.
