San Bernardino, CA 92410

Dear President Fisher:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met March 6, 2014 to review the Substantive Change Proposal from San Bernardino Valley College for the Distance Education program offering 25 associate degrees and two certificates at 50% or more via electronic delivery.

The Committee acted to approve the request and commends the College for preparing a thorough, well written proposal for review demonstrating the careful thought and planning for this change.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring integrity, effectiveness and educational quality.

Sincerely,

Susan B. Clifford, Ed.D.
Vice President
